

Model	quantity	Configuration	упаковочные места, габариты, вес брутто
HCL400	1	GSK988TA, 11kw servo motor, hydraulic hollow chuck, 8 positions turret, manual tailstock, chip conveyor+bucket	288*160*207 +chip conveyor+bucket 220*149*160
HCL300A	48	GSK980TB3i, spindle servo motor, hydraulic hollow collet, gang type tool, without tailstock	238*196*215
HCL300A	3	GSK988TA, spindle servo motor, hydraulic hollow chuck, gang type tool, without tailstock	238*196*215
HCL300	1	GSK980TDc, spindle inverter motor, hydraulic hollow chuck, gang type tool, without tailstock	225*160*191
HCL300	1	GSK988TA, 5.5KW spindle inverter motor, hydraulic hollow chuck, gang type tool, without tailstock	225*160*191
HCL300	1	GSK928TEa, spindle inverter motor, hydraulic hollow chuck, 4 post electric tool without tailstock	225*160*191
HCL300	1	GSK980TB3, spindle inverter motor, hydraulic hollow chuck, gang type tool, without tailstock	225*160*191
Model	quantity	Configuration	
T65M/750	1	SIEMENS828D, built in spindle, 12 positions turret, hydraulic hollow chuck, Servo programmable tailstock (fixed center)	373*233*205
T65/750	7	SIEMENS828D, built in spindle, 12 positions turret, hydraulic hollow chuck, Servo programmable tailstock (fixed center)	373*233*205
T65/500	2	SIEMENS828D, built in spindle, 12 positions turret, hydraulic hollow chuck, without tailstock	350*233*205
T55/500	3	SIEMENS828D, built in spindle, 8 positions turret, hydraulic hollow chuck, without tailstock	300*190*205
T55/500	8	SIEMENS828D, built in spindle, 8 positions turret, hydraulic hollow chuck, manual tailstock	300*190*205
T55/500	1	SIEMENS828D, built in spindle, 8 positions turret, hydraulic hollow chuck, Servo programmable tailstock (fixed center)	300*190*205
T55/300	14	SIEMENS828D, built in spindle, 8 positions turret, hydraulic hollow chuck, without tailstock	250*223*220
T50/300	4	GSK988TA, spindle servo motor, hydraulic hollow chuck, 8 positions turret, without tailstock, chip conveyor+bucket	250*223*220
T35B	6	GSK988TA, spindle servo motor, hydraulic hollow collet, gang type tool, without tailstock	238*210*215
T35	21	GSK988TA, spindle servo motor, hydraulic hollow collet, gang type tool, without tailstock	225*160*200
